

Information to the customer regarding the regulation REACH 1907/2006/CE

Dear Customer,

With respect to your inquiry on Nexans REACH compliance we would like to ensure you that Nexans is well aware of all legal obligations under the European REACH Regulation 1907/2006 entered into force on 1st June 2007.

Nexans is committed to meet all legal obligations under REACH regulation, in both qualities of manufacturer, importer and downstream user.

Nexans Nederland B.V. is a EU Legal Entity. Nexans has set up a dedicated working group on REACH to perform all the procedures that REACH are required. The purchasing team is working closely with our suppliers to make sure that they are fully compliant with REACH and to ensure continuous raw materials supply. You procure cable, wire and accessories (Articles) from Nexans Nederland which are not intended to release any substance under normal condition and reasonable foreseeable condition of use. Nexans Nederland will give you through our sales force any mandatory information once the relevant data is available from the supply chain as required according the Article 7(2) and the Article 33.1.

Be sure that our teams are at your disposal to help you in your own implementation of REACH regulation. For more information, please contact us.

Best regards,

Nexans Nederland B.V.
